IIW theme**

The 6th issue of Newsletter 2021-22, "IN THE PINK", is the last one to be published this IW Year.

In the previous editions so carefully prepared by our IIW Editor/Media Manager Yeok San Cheng, I reported about the IIW Presidential Theme 2021-22 "PINK FIRST" and its four priorities: Women's Health – Education – Opportunities – Empowerment.

Districts were also requested to increase the number of Members by 10%.

Worldwide, the theme "PINK FIRST" has been honoured by services implemented by Clubs. But also the last important goal consisting in the increase of the number of members has been acceptably attained.

At mid-February, many new Clubs have been formed throughout the world. Most of them are in India (109), 9 each in the Philippines and Italy, 7 in Nepal, 2 in Pakistan, and 1 each in the northern part of Cyprus, Guinea, Mexico, Belgium and Luxembourg, Nigeria, Senegal, Slovenia, Switzerland, and Zambia (a new country added to the number of countries where IIW is represented).

Our proud Leaders and Members have worked in harmony, frequently in a team, proposing programmes and activities, carrying out important projects and attaining important goals in different fields.

In about three months' time, the current IW Year will come to an end and all Club Members will be engaged in concluding their initiatives.

The beginning of the current IW Year was still characterised by COVID-19 and its variants. When it was felt that all precautions to protect oneself and one's family were no longer so strict, the unexpected conflict in Ukraine, which is causing deaths, destructions, thousands of refugees, and serious political, economic and social problems, has disrupted many lives.

Let's hope that all these will come to an end soon and peace will be restored all over the world.

We share the sufferings of Ukrainian members and, as IIW, we have donated a sum of money to the Red Cross to help Ukraine.

A supplementary account, the "Inner Wheel Relief Fund", has also been opened to allow Clubs to send money to help Club Members, inhabitants and refugees of this country. International Inner Wheel has also contributed an additional sum of money to the "Inner Wheel Relief Fund".

7 NEW MEMBERS JOIN Inner Wheel Club of Tirana

The Inner Wheel Club of Tirana in Albania was chartered on 15 February 2016. On this very important date in the history of the Club, the members organised a special event and welcomed seven new members for the Inner Wheel Year 2021-2022. During the event, the ladies were introduced by members of the Club and were inducted.

Generally, middle-aged women enjoy many engagements both in the family and at work, making it not easy to actively participate in a Club. However, the new members, most of whom are middle-aged and with a rich curriculum, are enthusiastic, filled with goodwill and desire to contribute to the society by being at the same time equally successful in their professions such as university professors, managers, businesswomen, notary public, etc.

The induction ceremony of the new members following the tradition of the club, receiving the official Inner Wheel badge and a Certificate of Membership, took place in a very warm atmosphere in a dinner with all the members of the Club at the

Club's meeting place, the Hotel Kotoni in Tirana. The dinner was a great opportunity not only to have quality time among members of the Club to honour the Club's charter but also to get to know the new members better.

The members of the Club expressed their very special thanks to the new friends who willingly and with great pleasure have accepted to be part of the Inner Wheel Club of Tirana and have openly offered their contribution in the service to the community. We hope that the contribution of these new members will be an added value in raising the name of Inner Wheel in Albania in the future.

Inaugural Meeting of the new Inner Wheel Club of RIGA-JURMALA

Inner Wheel worldwide welcomes 12 new charter members of the new non-districted club of Inner Wheel Club of Riga-Jurmala in Latvia.

Group photo of the motivated and upbeat ladies at the inaugural meeting of the new Inner Wheel Club of Riga-Jurmala on 2 March 2022.

With great pleasure we announce that a new Inner Wheel Club in Latvia has been formed. With the help from IIW Immediate Past President Dr Bina Vyas and IIW Board Director Catherine Ineichen through a couple of Zoom online meetings, this Club could be formed in such strange global circumstances. So we are very proud.

Twelve wonderful and motivated ladies formed the new club on 2 March 2022. Not all charter members could be present at the inaugural meeting as there are still some restrictions due to COVID-19.

The Charter President Aija Leandersone and the Club Secretary Viktorija Martinova have put a lot of heart and enthusiasm into the formation of the Club. Aija went to each new member with the charter application, so that at the end, all the signatures were on it. The application form is now at IIW Headquarters for registration.

Moving forward is the planning for the charter celebration — let's look forward to it. Congratulations and a very warm welcome to the big Inner Wheel family.

Gallery photo on Zoom shows the interested ladies in intense discussions and last instructions before the inaugural meeting.

WELCOME! Inner Wheel Clubs of Surma Dhaka and Rajbari

Multiple
New
CLUBS

On the evening of 27 February 2022, at the Inner Wheel District 328 Conference held in a prestigious restaurant located at a plush golf club of Dhaka, Kurmitola Golf Club, two new Inner Wheel Clubs were formed with much entertainment, fun and activities.

Left, President of IWC Rajbari and right, President of IWC Surma Dhaka receiving the Charter Certificate and regalia from NR Nayar Islam.

This particular group of ladies was highly inspired by National Representative Nayar Islam of Bangladesh. After a few meetings, they were convinced and wanted to commit themselves to the greater cause of the Inner Wheel movement by forming their own Inner Wheel Club. The name of the new clubs are:

1. Inner Wheel Club of Surma Dhaka
2. Inner Wheel Club of Rajbari

The programme was attended by National Representative Nayar Islam, IW District 328 Chairman Yasmeen Alam, members of the District Executive Committee and charter members of the new clubs.

NR Nayar Islam welcomed them and in the ceremony, and was given the honour of presenting the badges, regalia and charter certificates. Charter Members were inducted by presenting to them the Inner Wheel

official badge. The President of each club received their President regalia of office to begin the journey officially. With much enthusiasm and in the high profile ambience of the District Conference, the new Club Presidents were presented their Club's Charter Certificate.

In her speech, DC Yasmeen talked about the rules and regulations which are to be followed by the newly formed clubs and NR Nayar provided the historical background of Inner Wheel and the significance of Inner Wheel in the international domain.

The programme ended with a cultural event, followed by a gala dinner. It's always a pleasure to have a new club in the District that brings immense joy. The Inner Wheel members worldwide sends greetings and good wishes to our new members for grandiose successes. May they become stronger over the years.

24 new members + 1 new club in District 418, Mexico

District
wide
expansion

It is of great importance for our organisation to increase membership. For this, District 418 District Chairman Maria Elena Oliva de Gallardo, has promoted and motivated the clubs to carry out this important task.

It is essential that Inner Wheel women, reflect the diversity that exists in the community, care about the issues that interest our organisation and broaden the range of opinions and ideas. Together, we must share a positive inner feeling behind the need to serve our society.

Expanding our membership gives us the power to do more work, to increase the visibility and understanding about Inner Wheel. In camaraderie, we can do as much as possible, working together in pursuit of a common purpose.

As a result of this motivation, in the Inner Wheel year 2021-2022 to date, District 418 has welcomed 24 new members:

Announcement of the new DISTRICT 222

New
District

On 7 September 2021, a meeting was organised to gather all eight Inner Wheel Club Presidents and District Executive Committee members of the new District 222, Alasia, in Lefkoşa (northern part of Cyprus). District 222 was chartered on 1 July 2021.

District 222 is first formed by the following Inner Wheel Clubs of: Girne, Lefkosa Sarayonu, Lefkosa Yenikent, Kale, Bellapais, Magusa Othello, Soli, and Baskent Lefkosa

A speech was given by Mrs Sibel Tatar, the Past President of the Inner Wheel Club of Girne who is also the Charter President of the Inner Wheel Club of Bellapais. Mrs Tatar said that the main aim of forming a new district is to increase the number of members and clubs.

The first Chairman of District 222, Mrs Işın Ramadan Cemil, gave an inspiring speech about the 21-year long history of these clubs trying to form a district.

She acknowledged the members of the first district executive committee and the members of the first eight Inner Wheel Clubs in District 222 with gratitude.

Everybody was so happy and excited during this first meeting. In the end, all clubs expressed their feelings about working hard to have a productive Pink First Inner Wheel Year of 2021-2022.

New Zealand's Membership Campaign

Inner Wheel New Zealand has embraced the challenge of attracting new members by running a nationwide membership campaign – Tickled Pink, Membership March.

The IWNZ Membership Team has engaged members and encouraged them to share their Inner Wheel stories of friendship and opportunities they have experienced through being an Inner Wheel Member.

The Membership Team of past, present and future IWNZ Presidents were featured in a national magazine “Woman”, which highlighted their stories of being IW members through the publication.

Ladies take the wheel

Members of Inner Wheel New Zealand tell us how the organisation has helped them feel a sense of connection and community at a time when we need it most.

It's easy to forget how many of the world's good deeds happen behind the scenes. No big fan-fests, no flash photography, just ordinary people banding together in extraordinary service to their communities. But at the same time, we all love a good "good story" story. A peek behind the scenes to recognise the people doing the fundraising, the baking, the neonatal footie knitting - and in more recent times, the digital outreach and connection. So, pull back the curtain and meet some of the amazing women of Aotearoa creating lifelong friendships while making a difference.

When Michelle Atkinson returned to New Zealand in 2018, after spending years overseas, she felt like the proverbial square peg in a round hole. "It was difficult as a single person trying to fit back into life in Auckland. Most of my childhood friends had married, had children, or moved away. So trying to re-establish in the city was hard," she says. But a suggestion from her mother led Michelle to connect with Inner Wheel New Zealand (IWNZ), where she found women keen to connect and opportunities to support those in need.

Today, Michelle is still part of the name Central Auckland IWNZ outpost - the Inner Wheel Club of Aotearoa - and what's more, she's the organisation's current National President. Even with the restrictions of Covid lockdowns over the last two years, she feels that the friendships she has made through IWNZ - locally, nationally, and even internationally - have continued to strengthen. "The ability to keep connected via online tools has played an important part in making me feel part of something much bigger than myself. Inner Wheel has become an essential part of my life."

At a time when many have found it making the decision to pick up and head home, stories like Michelle's are food for thought. Organisations like IWNZ can provide a rewarding and purposeful way to build new friendships when you've at a loose end and looking for a path forward.

Michelle's immediate predecessor, Dore Anderson Lee, lived in England in the mid-2000s and was involved with a women's organisation. Returning to Aotearoa, she joined the Inner Wheel Club of Invercargill North and jumped right in on it. "It wasn't like Women's Institute, but it was just as friendly, and so quickly became a member."

Her commitment rapidly led to a range of opportunities - from Club President to managing IWNZ's website. "With each position I took on, I felt like my confidence grew." Her digital experience gained as a webmaster proved useful for things to come under her tenure as National President in 2020 and 2021, with Covid forcing a shift to digital for both the World Convention and the National Conference. Even moving to the other end of the South Island hasn't dampened Dore's involvement. "I think I will probably remain an Inner Wheel member for a long time. I can always be counted on to assist with projects, help out the fundraisers or charities or just be a friend to our members."

Ahimsa Skerrett is frank about why she threw herself into the organisation with such enthusiasm. "Initially, as a stay at home mum with two young daughters, I was looking for some much needed adult conversations, seek up community activities, and be a part of something just for me. I joined Inner Wheel and discovered a women's group that has contributed so much to my personal, community and international growth."

"This organisation is worldwide and actively working to make a difference in our communities around the globe with women in focus." Ahimsa's most big challenge to tackle is the role of National President, which she steps into later this year.

IWNZ has been a family affair for Joanne Gaultin, who acted as National President in 2016-2017. Back in 2016, her father had joined Inner Wheel while her mother joined Inner Wheel - and Joanne would often tag along to meetings when visiting home. When she finished her master's back in Napier in 2002, she joined herself. "I already knew how inspiring, caring and supportive the members were at the Ashurst Club - but I also wanted to connect with the community I was living in."

Through IWNZ, Joanne found her place and power in her community. Like so many of the other women in the organisation, she gets so much as she gives - friendships, skills and confidence being a few of the perks that come as a result of pitching in. Connecting with a local community of women was what drew Carol to basket into Inner Wheel. Working from home for her family's business meant she had limited opportunities to socialise. When she was invited to an Inner Wheel Club meeting by a friend, she leapt at the opportunity. "It was the ideal way to work with others to make a difference, to connect

It was the ideal way to work with others to make a difference, to connect with women and form friendships with like-minded women."

These women are just five of the 1400 IWNZ members throughout Aotearoa serving their communities and building friendships. With each of New Zealand's 46 clubs giving free reign to support charities of their choice, the possibilities are boundless. In 2020-2021, IWNZ members supported 269 charities with more than 622,000 volunteer hours and \$260,000 in donated funds and goods.

There's an inherent desire to support organisations that help women and girls at the heart of IWNZ, with projects including fundraising events for Look Good Feel Better and Bra-vest for Operation Light.

Founded as an organisation for female family members of the armed forces, Inner Wheel has now its own NGO, represented in 34 countries and at the United Nations. The pandemic has provided new challenges - and as a result, they are launching a virtual membership category, with a cross platform approach allowing members to engage in a way that works for them.

Become empowered amongst friends if you want to learn more about IWNZ membership including the virtual options. Discover IWNZ events are being held online on Thursday, March 30 at 7pm; Tuesday, March 31 at 7pm; Sunday, March 31 at 10am; and Saturday, March 31 at 10am.

Register on innerwheel.org.nz to secure a spot - you'll have the chance to meet new people and see how your passions could align with local IWNZ projects. And as an added bonus, if you register before May 27, you'll go in the draw to win a Tickled Pink online weekend holiday package at the Hilton Brides and Spa in Queensland!

LET'S CONNECT AND MAKE A DIFFERENCE

The easiest way to make friends is by doing it together - something that Inner Wheel has been doing for about 100 years. Use your skills to play a purposeful role in your community. Do something fun and meaningful with a group who share similar passions.

In preparation for the campaign, IWNZ Publicist Alyssandra created a focus group of established IW members to brainstorm and create the wording for a new publicity membership information flyer. This has been printed and distributed to all Clubs with ideas of how they can use it for promotion.

Throughout March, the team has hosted online “Discover Inner Wheel New Zealand” events advertised through the magazine and boosted social media posts.

During the event, visitors were introduced to Inner Wheel with an overview of:

- What is Inner Wheel?
- Inner Wheel in New Zealand
- Membership Opportunities
- How to join.

So far, there has been a positive response, and a new Inner Wheel Club will likely be chartered through these events. The concept of “virtual” membership was introduced to the attendees to attract a range of professional women who can meet online as a Club.

We are “Tickled Pink” to welcome ALL new IWNZ members this year and are very excited to be supported by the Hilton Queenstown Resort and Spa. They have gifted a prize *giveaway* of a two-night’s stay in a King Deluxe Lakeview Room, including breakfast for two and a sixty-minute “Absolute Relaxation Massage” at the Efora Spa.

Any new member joining between 1 July 2021 and 27 May 2022 is eligible to enter the draw, which will take place on Saturday, 28 May at the National Changeover event at the Hilton Queenstown Resort and Spa.

The incentive is for every Club to enter their new member onto the IWNZ database so that they will receive their personal log in details to the IWNZ website, which unlocks the members-only forums and resources.

Throughout June, the new members and Clubs with new members will be celebrated and presented with special “tickled pink” treats at every District handover.

In New Zealand, we are excited for the future of Inner Wheel. We have engaged in forward momentum to ensure our organisation can roll into the next century in a strong position.

"A Bucket full of Enthusiasm" Inner Wheel Club of Ashburton, NZ297

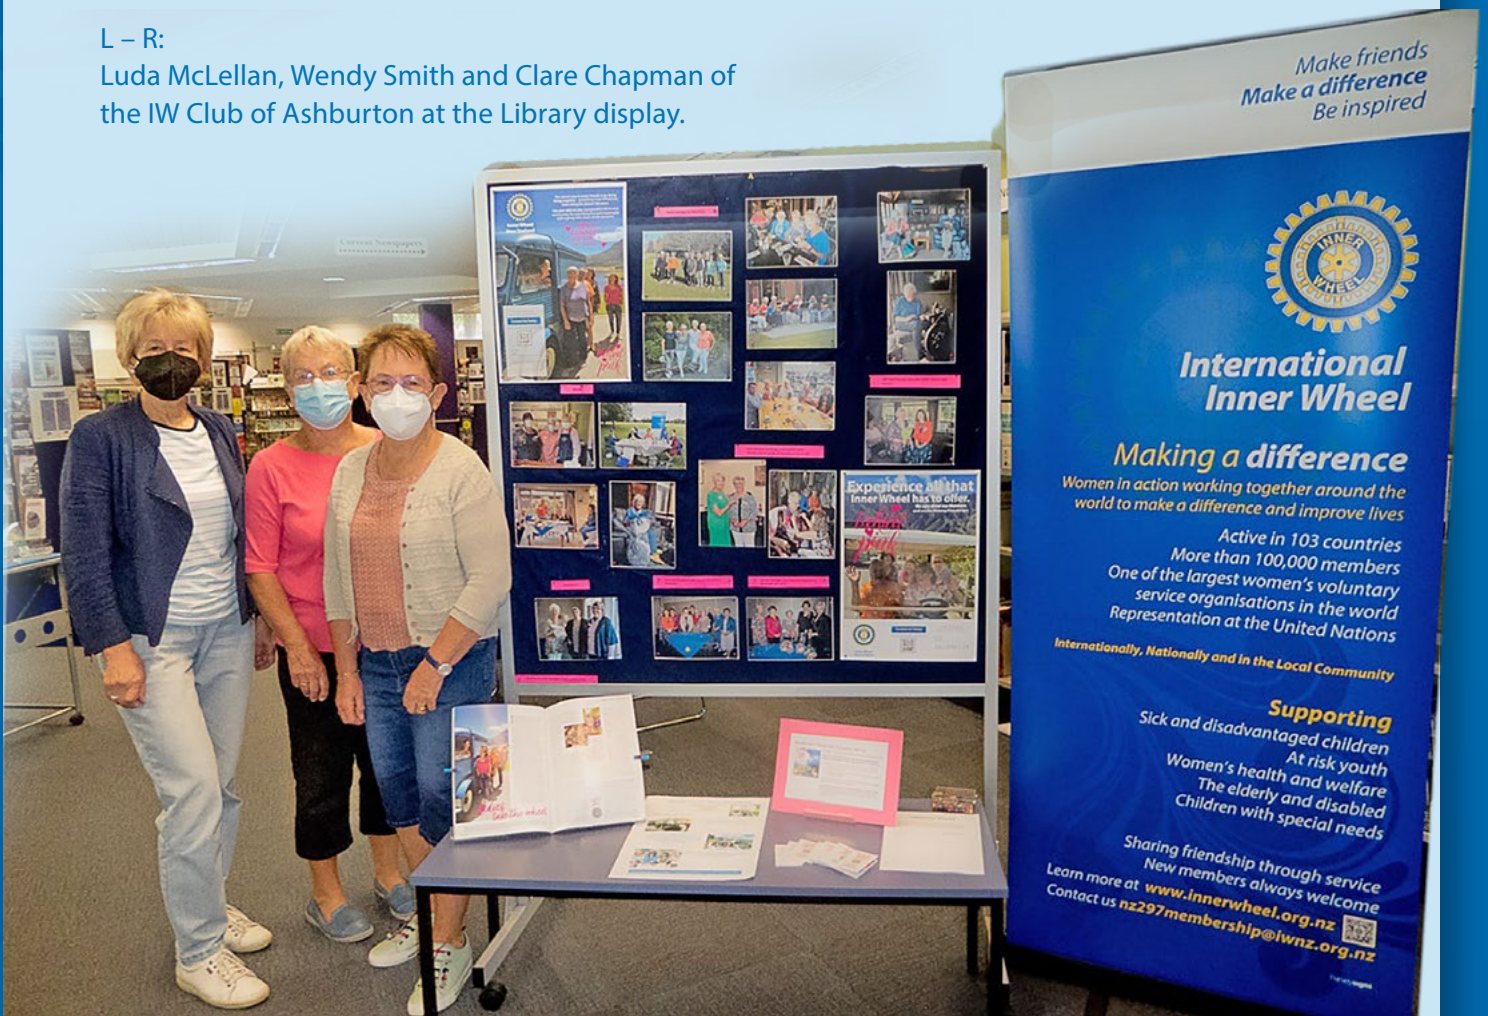

For me, a bucket full of enthusiasm and a team of three amazing women have been the key to growing the membership of our Club. Members are encouraged to invite friends along to enjoy, build friendships, make a difference in the community, and discover a range of opportunities allowing personal growth alongside a group of like-minded women.

Walking, the ukulele group, the craft group, and dinner out before our monthly meetings are just some of the social activities which are attracting many of our new members. Getting to know a small group of women helps grow their enthusiasm, confidence and empowers them to become active members of our amazing Inner Wheel Club of Ashburton.

"If someone offers you an amazing opportunity but you are not sure you can do it, say yes – then learn how to do it later."

Inner Wheel's young President

Jillian Myka Galvez Dominado trailblazing the way for IWC Cabanatuan, District 377

Motivated by the commitment and active involvement of her parents who were both Past Presidents and District Officers in Rotary and Inner Wheel, Jillian Myka Galvez Dominado at the age of 25 became the youngest President of the Inner Wheel Club of Cabanatuan, District 377 on 1 July of IWY 2021-2022.

She was introduced to the world of Rotary and Inner Wheel at a young age of 11 years old when her mother who is an Inner Wheel member, became also the President of the Rotary Club of Cabanatuan City in 2006-2007. Her project contribution then was a handmade ornamental lantern ("parol") for the Rotary Clubhouse during that Christmas Season.

President Myka, as she is fondly called, was invited by her mother Past President Joy to join Inner Wheel. Myka was inducted to the Inner Wheel Club of Cabanatuan, District 377

in IWY 2019-2020, became PRO and President-Elect for IWY 2020-2021 and in this year, 2021-22, she is the President of the Club on her 3rd year as a member.

She attended almost all meetings and activities including the International Day of Peace and NatCon 2020 in Okada Manila where she was delighted to receive an IIW pin from then IIW President Phyllis Charter.

Receiving the IW in from IIW President Phyllis Charter during the NatCon 2019 held at Okada Manila

With the IIW theme "Pink First", one of the impact projects of the club is **"Ignite Your Dream"**. A project that will help inspire young girls to pursue their God given dreams and how to conquer the obstacles along the way. This mentorship project aims to empower and make a great difference in the lives of young girls.

President Myka also aims to give talks and webinars focusing on Women's Health, Mental Health and Stress Management. Other projects completed to date: Bloodletting, Tree planting in partnership with a Rotary Club,

distribution of snacks, hygiene kits and PPE suits to medical frontliners and a seminar on women empowerment. School projects include donation of whiteboards and markers for the hearing impaired SPED students, box of bond papers, radios for security guards and hygiene kits.

As an Inner Wheel member, she has received the following awards:

- President's Award, IWY 2019-2020.
- Most Outstanding New Member, IWY 2019-2020.
- Ms Valentine 1st Runner Up, 2020.
- President's Appreciation Award, IWY 2020-2021.

On a personal note, President Myka took up College at Slim's Fashion and Arts School in Makati City from 2014-2018, and graduated with the following:

- Diploma in Fashion Design and Illustration.
- Diploma in Advanced Dressmaking and Pattern Making
- Certificate in Business of Fashion, and
- Certificate in British Bespoke Tailoring: Newham Method, 2018.
- She has a National Certificate II in Dressmaking.

She is the Owner/Designer of Jillian Myka Fashion & Design focusing on sustainability and ethically made custom made-to-order garments, from 2016 to present.

For her own "Jillian Myka" brand, featured designs include:

- NP Yolanda "Yolly" Wycoco's yellow gold gown ensemble at the NatCon Fashion Show, 2019.
- Jed Madela's attire. ABS-CBN Ball, Armature 2019 (collaboration).
- Yuumi Kato, Miss Universe Japan 2018. Brocade ensemble, 2018.
- Alaiza Malinao for Lifestyle Inquirer - Brocade ensemble, 2017
- The Philippine Star, Slim's Exhibit X Swatch. Filipiniana ensemble, 2017.
- Lifestyle Inquirer, Slim's Exhibit X Swatch. Filipiniana ensemble, 2017.
- Pina Barong Tagalog "Pabitin" Inspired, Slim's "Best of Student Work" Exhibit, SM MegaMall Fashion Hall, & Swatch Building Exhibit, 2018.
- Filipiniana inspired wedding gown in Piña silk, New York, USA, 2018.
- Wedding gowns, ball gowns, long dresses, blazers and coats.

"Blessing the Frontliners": donation of hygiene kits and PPE suits to Medical Frontliners of PJG Hospital on Sept. 29, 2021

She participated in two (2) ten-day Mission Trips to Mumbai, India in December 2014 and December 2015.

She is the Co-Founder of Ray of Hope 2020, an organisation focusing on helping students especially during this time of COVID-19. This is part of fulfilling her purpose to make a difference in the lives of others.

District 377 looks forward to a bright future for the Club helmed by more such able young members.

MEMBERSHIP Development & Retention

“Growth of our organisation is the fundamental, most necessary goal that we should achieve. If we do not have growth, there's no point in working at all. We should have positive growth in the coming years. And we should be a group which we are proud of.”

~ Dr Bina Vyas, 12 Aug 2020, Advancing Inner Wheel (District 330)

In 2020-21, IIW President, Dr Bina Vyas “travelled” around the Inner Wheel world to give talks. Her presentations enthralled and invigorated her listeners. On 12 Aug 2020, Districts 330 and 331 invited Dr Bina to give a talk. The talk entitled “Membership Development and Retention” in an episode called “Advancing Inner Wheel”, was the first in the District 330’s series on “Leadership Development”. The following is an adaptation of the slide presentation re-published with the kind permission of Dr Bina. These slides have to be viewed together with Dr Bina’s full presentation and this is available for your listening pleasure on the District 330 Youtube Channel: https://youtu.be/4ekawr_HCQw (click to watch and expand the description to see options).
